E.2 Social media guidelines

Employees are prohibited from posting any content on social media platforms (including LinkedIn, Instagram, Facebook, etc.) that mentions customer or client names, either directly or indirectly.

This includes, but is not limited to:

- Sharing awards, certifications, or recognitions that feature client/customer names
- Posting project updates or collaborations that reveal client identity
- Uploading photos, videos, or documents from client sites or meetings

Such posts may unintentionally breach confidentiality agreements and put the organization at legal or reputational risk.

All employees are advised to read their posts with caution and remove any content that may violate this policy.

E.4 Working Hours

To offer flexibility while ensuring fairness and statutory compliance in line with directive from COSA (Chairman Office South Asia), we have introduced a few refinements to our working hours guidelines effective from July'2025.

Key Points to Note:

Working Hours:

- Period Applicability: Payroll cycle (from 26th of one month to 25th of next month).
- Entry time is kept flexible from 8 AM-10.30 AM.
- A monthly average of 9 hours 15 minutes per working day is mandatory.
- Half Days: 4.5 working hours are mandatory to avail half day leave.

- The standard working week is 5 days, Monday to Friday.
- Tracking and Reporting: Employees must accurately record their working hours using the HRIS1 system.
- It is advised to regularize the attendance in HRIS1 on a weekly basis.

Disciplinary Actions for Non-Compliance:

Late Arrival Penalties:

- A single late punch after 10:30 AM will be considered as 1 instance.
- A half-day leave will be deducted after 4th instance of late coming and subsequent instances in a month.
- The system will prioritize Casual Leave (CL) first, followed by Privilege Leave (PL) for leave adjustments.
- If there is no balance of CL or PL, LWP will be adjusted.

Find attendance policy ([here](#))

E.5 Dress Code

It is important for us to follow the dress code policy to maintain a professional and cohesive workplace environment.

Clothes and dressing sense is the first level of impression that gets created and opined for an individual's personality.

All team members are expected to follow office decorum and dress code guidelines given below to maintain congenial working environment at workplace -

- Formal dress code shall be observed from Monday till Thursday on all working days. Team members may wear Smart Casuals on Friday.
- Team members having scheduled business meetings or client presentations / visits shall however be required to adhere to formal dress code in office, other group company offices & client location as per the business requirement.

Find Dress Code Guideline ([here](#))

E.6 Lunch Hours

To help everyone plan their day effectively, please note the official lunch duration is 30 mins in between during the lunch hours from 12:45 PM to 15:00 PM

Please make sure to take your lunch break within this time frame.

If your role requires staggered breaks, your manager will inform you of your designated lunch time.

E.7 IT Assets use & Safety

All IT assets (including laptops, desktops, and other equipment) are critical to our daily operations and must be handled with care and responsibility.

To ensure the security and proper tracking of these assets, it is mandatory to obtain prior approval from the Administration Department before shifting/sharing/handing over/exchange/misplacement etc.

Please adhere to the following guidelines:

- Approval Required: Any movement of IT assets inside/outside the office requires written approval from the Administration Department and Department Manager.
- Request Process: Submit a request via email, detailing the asset type, any of the reasons mentioned above, and desired approval.
- No Exceptions: Taking IT assets without prior approval will be considered a process violation and may result in disciplinary action.
- You must preserve the issued assets with utmost care and proper handling.
- You are required to keep the assets in safe custody while inside/outside the company premises.
- The assets must be returned to the company in good working condition (normal wear & tear accepted) at the time of separation, transfer, or upon request by management.
- Any loss, theft, or damage to the assets due to negligence will be your responsibility, and the management will not be liable under any circumstances.
- The management reserves the right to withdraw these assets at any point in time. In case of loss/breakage due to negligence, the replacement cost will be borne by you.
- All assets remain the sole property of the company and are to be used strictly for official purposes only.

E.8 Non-discrimination and equal employment policies

At MITL, we are committed to maintaining a safe, respectful, and inclusive workplace for everyone. In line with the Prevention of Sexual Harassment (POSH) Act, 2013, we have a POSH Policy in place that clearly defines unacceptable behavior and provides a process for raising complaints in a fair and confidential manner.

A few key points to remember:

- POSH applies to all employees, interns, consultants, and visitors.
- Any form of unwelcome behavior – verbal, physical, or non-verbal – of a sexual nature is considered harassment.
- Our Internal Complaints Committee (ICC) is available to support and guide anyone who wishes to raise a concern.
- All employees are encouraged to read the POSH Policy and attend awareness/training sessions.

Internal Process for POSH Complaints:

1. Reach out to the HR team or the Internal Complaints Committee at icc.mitl@motherson.com

External Process for POSH Complaints: (read the full document [here](#))

Motherson is committed to an environment where open, honest communications are the expectation, not the exception. We want you to feel comfortable in approaching your supervisor or management in instances where you believe violations of policies or standards have occurred.

You can find Noida Holiday Calendar [here](#) and Chennai Holiday Calendar [here](#)

G. Suggestion & Complaint Box

As part of our ongoing efforts to improve our workplace and foster open communication, we are pleased to announce the introduction of a **Suggestion/Complaint Box**. This box is designed to allow all employees to share their thoughts, ideas, and concerns anonymously, if preferred.

Ways you can use it:

- Provide constructive suggestions for improving our work environment or bring any concerns you may have to the management's attention.
- We have no retaliation policy, which ensures that all submissions will be kept confidential and respondent will not be evaluated based on his/her comments.
- We believe that open & honest feedback is essential for creating a more productive and positive atmosphere for everyone. So, we are providing you with an option of being anonymous while reporting.

Location of Suggestion/Complaint Box in the premises:

- The Suggestion/Complaint Box is located beside the water dispenser. You can submit your suggestions or complaints in the box at any time.

Templates for filling in the information:

- You can use the enclosed templates to address your concerns/suggestions. This will help the management to take appropriate actions.
- You can either fill in these using the given steps (Open the document with Microsoft Edge—use the “Add Text Icon” to place text in the writable area) or you can take a print out and fill in the required information by hand.
