

TRAVEL POLICYEffective from 1st Apr'24**1. Purpose:**

The purpose of this travel policy is to provide guidelines and procedures for employees of Mother's Innovations Tech Limited regarding domestic, international, and local travel to ensure safety, cost-effectiveness, and compliance with company regulations.

2. Scope: Travel Policy – Travel for Business & Training

This policy covers expenses and entitlements of employees who travel on company's business or deputed to attend seminars/ conferences/ summits/ workshops/ exhibitions/ training programs or any other similar purposes on the company's current business, future plans or projects. This policy shall highlight on the following:

1. Mode of travel – Domestic/ International & Local

2. Entitlements

- ☐ Accommodation
- ☐ Food
- ☐ Local conveyance

3. Processes-

- ☐ Visa & Forex Process
- ☐ Expense Reimbursement
- ☐ Compliance & Safety

- These entitlements will apply to all employees travelling on official work for a period of less than 10 days.
- Policy on travel for a period exceeding 10 days and for special projects, would be dealt with on case-to-case basis by the President/ COO of the company.

2. Authorization:

Employees will have to initiate the travel request using STARS application available on Mother's One site at least 15 days prior to the proposed travel date (for exception Unit head's approval would be required). Below mentioned STARS approval path will be followed for all requests: -

DOMESTIC	Reporting Manager	MI India Unit Head	COSA Head		
INTERNATIONAL	Reporting Manager	MI India Unit Head	CTO	COSA Head	Vice Chairman

3. Domestic Travel:

3.1. Guidelines:

- Domestic travel includes travel within the country of India.
- Economy class airfare should be booked for domestic flights.
- Accommodation should be planned in company guest houses wherever available. In case the company guest house is not available, Motherson Air Travel Agency is responsible for arranging alternative accommodation in hotel. Accommodation Preferences indicated in STARS are only for reference.
- Rental cars or other transportation should be utilized when necessary and cost-effective. It is advised to utilize App based Rental Cars in Day time (9 AM – 6 PM) and get it reimbursed on return.
- Any exceptions should be pre-approved by Unit Head.
- If an employee is doing self-arrangement and not using the hotel then per day boarding & lodging usage limit should be 25% of the entitlement. If in case, the meal expenses are not supported by bills, 25% of the entitlement will be paid, if claimed.
- Car-pooling to be encouraged if employees are travelling in group.
- The below-mentioned entitlement denotes the maximum limit, the reimbursement shall be made as per actual expenses, on production of bills.
- Wherever guest house accommodation is available, employees on travel should avail the guest house facilities as a first option of boarding and lodging.
