## TRAINING POLICY

### 1. Objective

To promote Skills and knowledge upgradation, MITL facilitates all associates for attaining new technical skills, Language skills, Project Management, and domain skills on continuous basis. Training will strengthen the competencies of the associates by building skills and expertise in related working areas and develop certified professionals to enhance efficiency of the project and the organization.

### 2. Scope

The policy specifies the availability, eligibility criteria, certification process, reimbursement procedures and service agreement criteria for certifications.

### 3. Applicability

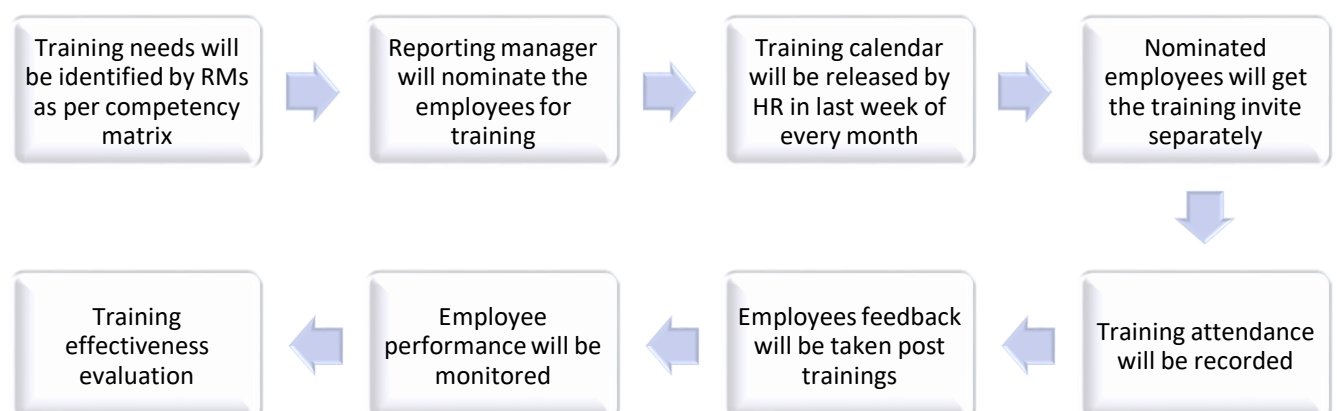

This policy is applicable to Full time internal associates of the organization.

The external training is not applicable to Third Party employees, Consultants, and Interns.

### 4. Types of Trainings

- Internal Trainings
- External Trainings- Via Udemy and External trainers

### 5. Procedure

## 6. Certification/Training Categories (Planned but not limited to):

- Matlab/Simulink for Autosar
- Autosar training & certifications from Vector/EB/ETAS or any vendor
- Embedded Linux certifications
- Advanced topics training & certifications in ADAS/ARAS etc. domain
- Machine learning from different institutes like courseera etc
- Agile certification / PMP
- ISTQB certification & other Advanced certifications
- Cybersecurity
- ISO26262 Functional Safety
- ISO21434 Automotive Cybersecurity
- Power Electronics
- High Speed Analysis
- Thermal Analysis
- EMI/EMC
- Advance PsPice Simulations
- Various other Automotive course offered by TUV, SAE, SGS, ZooKoo, AutoFusa, IPC , Vector etc
- Language Training

## 7. Guidelines and Entitlements

- Head – Learning and Development shall be responsible for implementation of the policy.
- Managers are advised to approve the external training based on the needs identified in the competency matrix considering the number of nominations, overall cost and budget constraints.
- The Training reimbursement (in case the costs are incurred by the employee) claim needs to be put up within the period of 3 (three) months of clearing the exam. Refer [Point 8](#).
- This policy does not cover courses leading to degrees/diplomas offered by universities and other formal academic bodies.
- The members who have been reimbursed the certification fee shall work in MITL for minimum duration of 12 (twelve) to 24 (twenty-four) months (considered from passing date of certification until Relieving date). With breach of this policy, the amount invested shall be recovered from respective employee at the time of separation.

Please find below the applicable charges:

- Domestic trainings

Any individual undergoing skill enhancement of > **INR 25000** would be liable to serve the organization for next 24 months from start date of the training, else the amount recovery of the training cost shall be as per below table.

| Total training(s)cost (In a year) | Period for which Employee needs to serve MITL as per the agreement |
|-----------------------------------|--------------------------------------------------------------------|
| 75% training cost recovery        | 12 months                                                          |
| 50% training cost recovery        | 18 months                                                          |
| 25% training cost recovery        | 24 months                                                          |

- International trainings

The cost recovery of the international training is applicable for employees travelling for more than one month duration for the training / knowledge transfer purpose, to foreign countries.

| Total deputation cost        | Period for which Employee needs to serve MITL as per the agreement post return to India |
|------------------------------|-----------------------------------------------------------------------------------------|
| 75% deputation cost recovery | 06 months                                                                               |
| 50% deputation cost recovery | 09 months                                                                               |
| 25% deputation cost recovery | 12 months                                                                               |

- Employees will need to sign the agreement for domestic or international training once nominated by their RM.
- Training steering committee (L&D head, Unit Head, Finance Head & Department Heads) reserves the right to make any amendments to the policy during the year.
- The Training steering committee reserves the right to modify, alter or withdraw the policy at any point in time.

## 8. Procedure for claiming<sup>1</sup> training reimbursement:

- Employee must obtain prior recommendation & approval from RM & HOD. This approval is mandatory before registering for Certification exam. Hence, prior mail Approval is must for claiming reimbursement. If the requester is unable to provide the pre-approved mail, then the reimbursement will be cancelled.
- Reimbursement may be claimed only if all the elements/exams as defined by the certification are completed. In case prior approval has been obtained for claiming reimbursement on completion of each paper, the associate may claim reimbursement on clearing each paper.
- After successful completion of certification, the employee shall be reimbursed certification fee amount after submitting the bills to HR/Accounts with a copy of passed certificate & test score.
- After completing the certification, the associate needs to raise EMPRO EASY request and attach the below set of documents for claiming certification reimbursement: -
  - Pre-Approval mail from RM
  - Passing certificate
  - Score Card
  - Payment Invoice
  - Proof of payment (e.g., Bank Statement, receipt, etc.)

- 
- <sup>1</sup> If the expense proofs are in international currency, the employee needs to submit the proof of payment in INR (CREDIT or DEBIT statement must be attached) for claiming.
  - Failing to provide any of the above documents the claim will stand rejected or returned.
  - Approvals are needed in case of budget overflow with Training Steering Committee.
